

JARLTECH

Jarltech European AIDC/POS
Showroom, Training Centre & Bar

Hardware you can touch!

Welcome to Europe's largest exhibition for POS and Auto-ID, perpetually open for you! Here, all the leading vendors present nearly their entire portfolio.

On an area covering nearly 500 square metres, you have hundreds of POS systems, barcode scanners, printers and handheld terminals available for examining and testing – set up, configured and ready to go.

Compare

Test and compare hundreds of devices from the top vendors on-site – when it fits into your schedule!

Relax

Utilise the convenient Jarltech pick-up service directly from the Frankfurt am Main Airport or Train Station for both you and your customers – in half an hour, you are here.

Host

Also come by with your customers. In the adjoining Training Centre there is plenty of space for your customers and training events. By the way, we do world-class catering.

Online

Simply visit our showroom online as well: [Start your virtual tour here.](#)
